

HEAVY DUTY EP3 GREASE

High Load

High-quality, multi-purpose NLGI 3 grease that can handle heavy loads. Its lithium-free technology is particularly effective, especially for vertical shafts.

Applications

- Applications with vertical shafts
- Automotive wheel bearings
- Truck and trailer wheel hubs
- Agricultural machinery

PROPERTIES

ADVANTAGES

Extreme pressure/anti-wear	AW/EP	Good load-bearing
NLGI 3 grease	NLGI 3	Greater consistency for better retention on vertical axles
Excellent water resistance		Good resistance to washing out, thus limiting fat loss
Presence of antioxidants	€	Extended lubricant life, reducing maintenance costs
Corrosion inhibitors		Good protection of your equipment against

Characteristics	Method	Unit	HEAVY DUTY EP3
Operating temperature		°C	-20°C to 120°C
Colour			Yellow
Texture			Smooth
Density	ISO 51757	g/cm ³	0.90
NLGI grade	ASTM D 217		3
4 EP balls welding	DIN 51350:4	N	3000
Type of thickener			Anhydrous calcium
Nature of base oil			Mineral
Viscosity of base oil at 40°C	ASTM D 7152	cSt	110
Viscosity of base oil at 100°C	ASTM D 7152	cSt	9
Drop point	IP 396	°C	> 140
